

Weather Protection Hood

Key Features:

- **Effective reader protection for extreme weather conditions**

Weather protection hood for long lasting exposure to sun and rain.

The weather protection hood can be mounted on the back side of the TRANSIT Standard or Extended reader.

If the TRANSIT Standard reader is to be used in extreme wet or sunny weather conditions, it is recommended to apply a weather protection hood to protect the reader from direct water spray, rain or temperature rise by means of long lasting exposure to the sun.
